Notes:

1. Students with AP Examinations, which are recognized as equivalent to SBVC courses, will receive credit.
2. Students are encouraged to complete Area A and B4 early. CSU will not admit students until the grades are recorded for these courses.
3. Upon transfer, students will be required to complete at least nine semester units of upper division courses at the CSU.
4. No more than 30 units combined may be certified in Areas B, C, and D.
5. Students request official certification of CSU GE-Breadth requirements at the SBVC Records Office.
6. Although SBVC will certify Areas A through E individually, the CSU encourages students to complete all areas prior to transfer.
7. Coursework from other colleges will be evaluated according to the CSU GE-Breadth of that college. For out-of-state coursework, the SBVC Records Office will determine equivalency to SBVC courses. Official transcripts must be on file.
- ~~8. A single course may not be certified as meeting more than one category.~~
9. Some majors at the CSU have required general education courses and/or do not allow double-counting of courses toward major requirements. Students are encouraged to consult with a counselor and the catalog of the CSU to where they want to transfer.
10. The courses on this list are approved by the CSU Chancellor's Office for fall 2001 and beyond. **SBVC courses not on this list may not be used for CSU GE-Breadth requirements.**
